PRE-GAME CHECK-IN AT THE FIELD

* For detailed information, please go to our website under "[League Event Check In](#)":

- Both teams are required to print out their GotSport standard match card and present it along with virtual cards to the referee crew prior to kickoff. [HOW TO VIDEO – CLICK HERE](#)
- All standard match cards must include a coach and/or a manager. The only adults allowed on the team bench sideline are US Club Soccer carded coaches or managers (max of 3). If a coach or manager cannot provide proof of a US Club Soccer card, they cannot be on the player sideline.
- All player jersey numbers must be listed on the standard match card (see player eligibility rules for more information).
- If a player is not listed on the standard match card, they may not play.
- Note: If you cannot produce a standard match card or have ineligible players, your team will be at risk for a forfeit.

REPORTING SCORE

The Winning team (Home Team in case of a tie) is required to upload the signed & completed match card into the GotSport system within 24 hours after completion of game. Both teams are required to keep a copy of their signed match card in case of any discrepancies. Also, both teams should have the referee crew sign their match card after the game and confirm all information (score, cards, etc.) is accurate. Please verify the referee has accurately recorded the score and misconduct (red and yellow cards).
